The matter of making some appropriation by this Court in assisting the University of Tennessee at Martin, to construct a new stadium on the athletic field was presented to the Court by Judge Pentecost. After some discussion, and a report of the Finance Committee recommending that a sum of \$25,000.00 be contributed to this worthy expense, the Court voted by majority voice to earmark an amount of \$25,000.00 for this purpose, and to charge the same to the new Bond Resolution Account for school building purposes. The payments of this amount to be broken down into three installments. \$8,000.00 to be paid on or before the first day of January, 1963, and the balance of \$9,000.00 to be paid on or before the first day of January, 1964. The County Judge and the Finance Committee are hereby given the authority to sell Bonds, notes, indentures, or borrow sufficient funds from the Banks of the County or from any individual or individuals of the County to meet this appropriation, binding the faith and credit of Weakley County, Tennessee, for the full payment thereof, including both principal and interest. The rate of interest not to exceed 6 per cent per annum.

Motion was made by Esq. Woodie Maaley that the above request be granted; seconded by Esquire D. Z. Grooms; Carried by unanimous voice vote of the Court.

Let it be remembered, that at the April 1963 term of Quarterly Court, authority was given the County Judge to construct a new school room for the mentally retarded children of the County on the campus of the Dresden Elementary School. This project is now under construction, and the cost of materials and labor are being charged against the County General Fund Account. The expense of this project is limited to \$10,000.00, and the County General Account will be strained to meet this expense.

It is therefore ordered by this Court that \$10,000.00 be earmarked out of the \$1,000,000.00 Resolution passed by this Court at the April, 1963, term to meet this expenditure. And the County Judge and the Finance Committee are hereby authorized to supervise the construction of this project, and to finance the funds for the construction of the new stadium at University of Tennessee at Martin.

Motion was made by Esq. Neal Tillman that the above request be granted; seconded by Esquire Edd McClain. Upon being put to a vote, same carried by unanimous voice vote of the Court.
